Group discussion about disappointment in process and group made plans to make a statement during Public Comments at the next board meeting (October 24 at Chabot). Donna suggested sending around a google form to gather statements from the group. Jennifer Lange would also like to find out why it took so long to process the program review equipment requests. For the requests that were not fulfilled; where did the money go? • CEMC – Enrollment down 120 from last year but Science & Math are holding steady. • COOL – Deadline for hybrid proposals is Oct 6. • CTE – Looking at proposal for CTE programs. There is \$500K available. • Curriculum – In Curricunet, go to “Track my proposals” to check status. Our date to present is October 17

Mission Statement

Chabot College is a public comprehensive community college that prepares students to succeed in their education, progress in the workplace, and engage in the civic and cultural life of the community. Our students contribute to the intellectual, cultural, physical, and economic vitality of the region. The college responds to the educational and workforce development needs of our regional population and economy. As a leader in higher education, we promote excellence and equity in our academic and student support services. We are dedicated to student learning inside and outside the classroom to support students' achievement of their educational goals.

<p>9th or 16th.</p> <ul style="list-style-type: none"> • Evaluations: Please complete your observations by end of Oct. 	<ul style="list-style-type: none"> • Facilities – Facilities requests should be in program review.
